Cooper Remains In Board As Member

At the meeting of the Board of Health yesterday Dr. Mays presented the following vote of thanks to Dr. C. B. Cooper, the retired president of the Board:

"I move that a vote of thanks be tendered to Dr. C. B. Cooper, for his long services in this Board, first as an ordinary member and afterwards as its president. During his incumbency of the chair he has by his skill and energy maintained a high standard of efficiency in all branches of the Health Department of these islands, promptly aligning it with the most modern and progressive ideas. He deserves a special credit for bringing this department into closer touch with the central health authorities at Washington; who now recognize, as never before, the importance of the Health Board of this Territory as the outpost of national defense against the great epidemic diseases of Asia. This is evidenced by the selection, by Surgeon-General Wyman, of Dr. Cooper as chairman of the section on Leprosy in the coming conference of United States Boards of Health at Washington, a fitting tribute to Dr. Cooper's standing in sanitary science. "We express sincere regret at the close of Dr. Cooper's occupancy of the chair, and trust that his public services will be as highly appreciated by the people generally as they are by each member of this Board."

(Signed) W. H. MAYS, W. C. ROBINSON, F. C. SMITH, JOHN C. LANE, E. C. PETERS.

"Honolulu, April 6, 1904." Dr. Cooper thanked the Board for the kind expressions tendered him, stating this had taken off the edge of the unpleasant situation.

The Board informally discussed the present status of the Board as a body without a head. After some discussion Attorney General Peters gave the opinion that Dr. Cooper on resigning from the presidency reverted to his status as a member from which position he had been appointed president. It was decided that until a president was appointed the secretary should be authorized to answer all such official letters as did not require action by the Board.
